Subject: DEQ/EPA Review Status of the LWG FS Table

Hi Nicole,

Thank you for checking in on the status of DEQ's review of the draft table. DEQ and EPA met with Jim McKenna a couple of weeks ago and discussed the review of the table. At that time, we informed Jim that we would not be able to meet the 9/24 review schedule. We said that we would be able to provide DEQ/EPA comments by 10/15. Jim said that he would check in with Carl to see if that was going to be a problem with the FS schedule. I know that Jim has been out but lacking any response to the contrary, the DEQ/EPA teams have been working toward the 10/15 schedule.
